

Professional collaboration in teaching teams -
Sharing students, space and time

Mie Guldbæk Brøns
M.Ed in Educational Anthropology

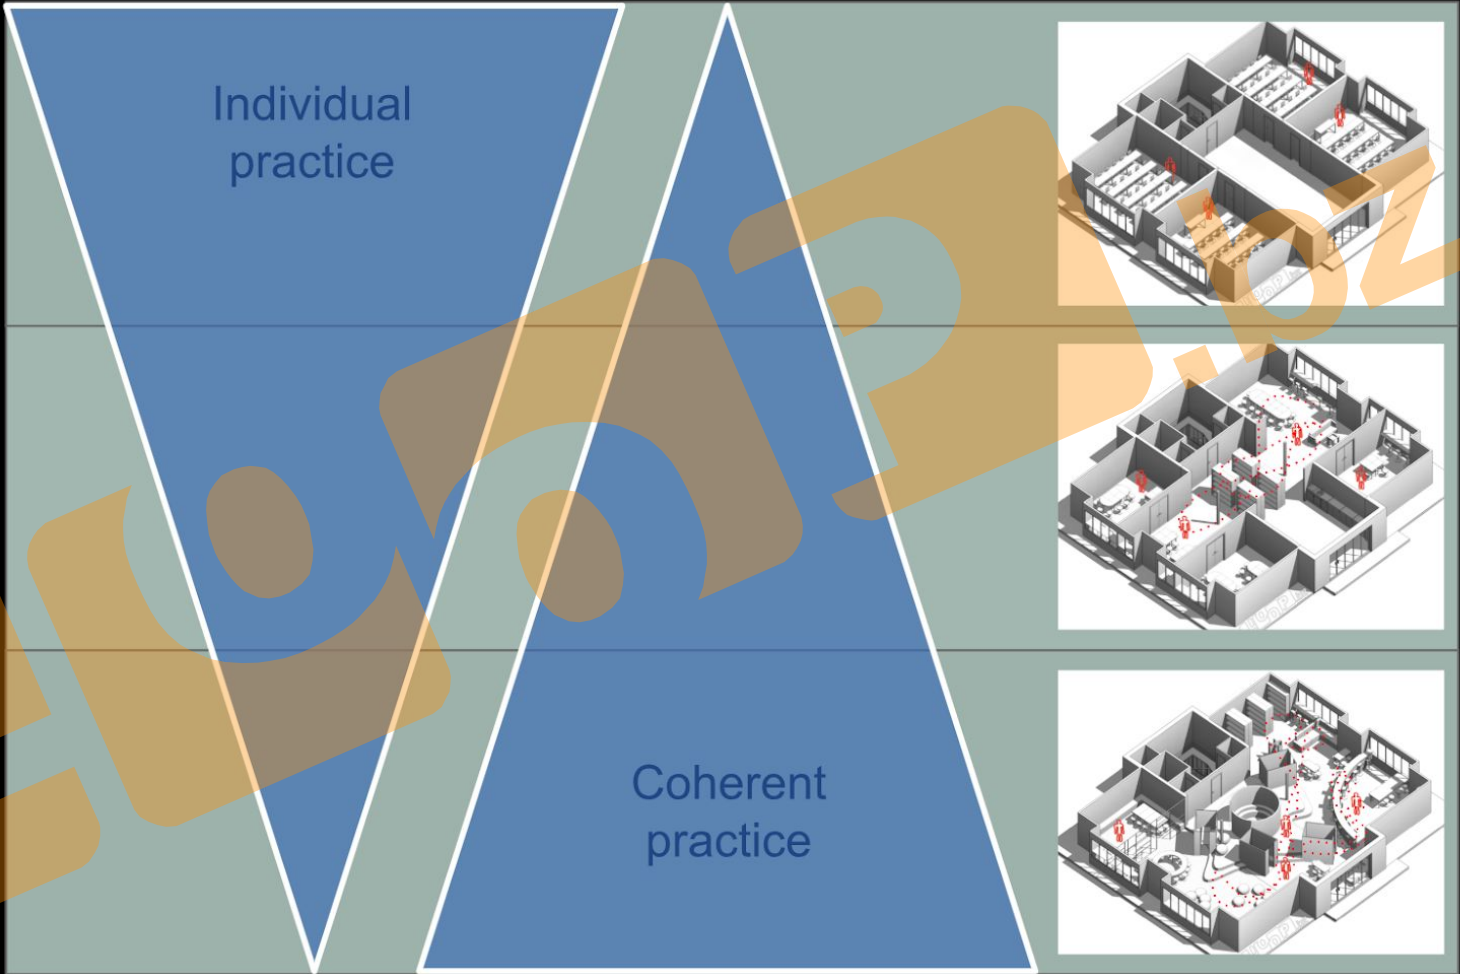

TEACHERS ARE OFTEN LEFT ALONE

Franchise
/
Collaboration

10:20-10:35

76 students

4 teachers

Just in from break

Students are reading

3 teachers are writing
information on
whiteboards

1 teacher working in
the staff room

10:50

87 students

4 teachers

After introduction for
all students on the
carpet

Students are working
individually and in
groups

3 teachers roaming

1 teacher working in
the staff room

10:57-11:00

87 students
4 teachers

Students are working
individually and in
groups

4 teachers roaming
- short exchange
between 3 of them

11:00-11:27

84 students

3 teachers

Students are working individually and in groups

4 teachers roaming
- the short exchange has led to a change of assignment and a teacher announces it
